

## **WHY DO HUMANS EXIST?**

Is the universe and all that exists in it just an incredible cosmic accident, or is there a purpose for its existence?

When our lives come to an end, do we cease to exist forever, or is there hope of a future beyond the grave?

If all that exists was created for a purpose, is there a way to discover this purpose?

There is only one book in the entire world that has the correct answers to these and many other questions about the existence of this dimension of time and space and the existence of humans on earth. That book is the Bible.

The Bible is unique. It is the only book that claims to have the answers to the basic questions of life. This book tells humanity who its Creator is and the purpose for its creation.

The purpose for the creation of this physical existence and humanity has been a carefully guarded secret through the centuries. Only a very few individuals were allowed to partially understand the purpose for this physical realm before the advent of Christ and then Christ only revealed this information to few selected individuals.

The Sovereign God has intentionally kept most of humanity from understanding his plan until humans were able to learn the lessons that only time and experience can teach.

"To you it is given to know the mystery of the Kingdom of God: but to them that are without, all these things are done in parables: Seeing they may see, and not perceive; and hearing they may hear, and not understand; lest at any time they should be converted, and their sins should be forgiven them" (Mk.4:11-12 KJV Para.).

In the same conversation Christ also said to his disciples:

"But blessed are your eyes, for they see: and your ears, for they hear. But truly I say to you, That many prophets and righteous men have desired to see those things which you see, and have not seen them; and to hear those things which you hear, and have not heard them" (Matt.13:16-17 KJV).

Along with the establishment of the early church, the awesome purpose for the creation of this physical existence and humanity was to be told to anyone who would listen. But what is that purpose?

Notice what is recorded in the first chapter of the Book of Genesis:

"And God said, Let us make man in our image, after our likeness:" (Gen.1:26 KJV).

Humans were created to physically resemble a god-being. Clearly, humans are not god-beings. However, according to the biblical record, the ultimate purpose for the creation of humans is to transform them into god-beings.

God the Father, the One who sent his Son Jesus Christ to earth over nineteen hundred years ago, is in the process of creating god-beings out of humans.

Yes, that's right! The Sovereign God is expanding his family:

The apostle John wrote the following about Christ and the reason for his coming to earth:

"He was in the world, and the world was made by him, and the world did not recognize him. He came to his own, and his own did not receive him. But as many as received him, to them he gave the power to become the children of God, even to them that believe on his name" (Jn.1:10-12 KJV Para.).

John also wrote:

"Behold, what manner of love the Father has bestowed upon us, that we should be called the sons of God: therefore the world does not know us, because it did not know him. Beloved, now we are the sons of God, and it does not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is" (1.Jn.3:1-2 KJV Para.).

God the Father has embarked upon the greatest and grandest of all his creations; he is in the process of creating beings just like himself, and his intent is to share with them all he has created or will create throughout eternity.
